- SAVE THE DATES -
MAY 4th & 5th and JUNE 14th thru 16th!!
Timber Framers Workshop in Eagar, AZ

Interested in learning more about Timber Framing? Come participate in a hands-on workshop where professionals from the Timber Framers Guild will teach you the art and science of building with locally produced timbers.

Phase I. May 4 - 5, Includes instruction from the Timber Framers Guild using the five-part series Timber Framing for Beginners.*

*** includes learning to read plans, handle materials, principles and practice of layout, care and handling of timber framing tools, and cutting timber-frame joinery.**

Phase II. June 14 - 16, Includes 3 day workshop where participants will take their knowledge from Phase I and apply it to help assemble and raise the 24' x 24' Timber Frame Ramada at Ramsey Park in Eagar, Arizona.
